PETTER COOKING

MEMPHIS, TENN., June 2, 1873.

correspondent, recently made a visit to S ockhoim, where he took part in the festivities attendant upon the coronation of King Oscar II, grandson of Berperhaps as president. nadotte, Napoleon's famous marshal and great-grand-son of Josephine This visit was a memorable one, made so by the hearty greeting which the king extended to the American journalist, and for a confession from his majes ty that he felt honored by the presence of an embassador from the "estate" which is fast assuming leadership among all the nations. Received so cordially an "interview" could not fail to be the result. True to his calling and the interests of the great journal he represented, Mr. Young could not forego an opportunity of ascertaining the opinions of the liberal king upon many subjects now ited in their latter years. Such drenched out of existence by ceaseof Europe, and many that interest the judicious examples are particularly less hot showers. Vegetables and fruits needed now, and should be es are of unnatural, spurious growth; the people of the United States. The ic, after that came a compliment to Du southern States. This is one of the percolates the soil, thoroughly saturated, weather" was, of course, the first topgreat needs of our people. Acting on is thoroughly poisoned with all impurithis belief, we approve an eclectic sys- ties that decay above or have been dis-Chaillu, the well-known traveler and through northern Scandinavia, then tem of education for our city and State, solved below the surface.
